## Early College at Lynn Application Checklist

### THE NORTH SHORE COMMUNITY COLLEGE

EARLY COLLEGE PROGRAM at LYNN provides an opportunity for high school students to take college courses on our Lynn campus.

Students should work with their guidance counselors to determine course selection based on the student's academic skill level and educational goals. Academic and student support services, including academic advising, career counseling, free tutoring, computer labs, and library access are provided to maximize success. Students are eligible to obtain a student ID and participate in NSCC-sponsored activities and clubs.

College level courses taken at NSCC may be transferred to a 4-year college or university. The MassTransfer Program provides a great opportunity to gain admission to participating colleges or universities. Please refer to the link for more information:

[www.mass.edu/masstransfer](http://www.mass.edu/masstransfer)

North Shore Community College is responsive to the needs of students with disabilities. We have a simple procedure for students who would like to request services and establish eligibility for academic accommodations. There are many academic support options for qualified students. Please visit our web site for more information: [www.northshore.edu/accessibility](http://www.northshore.edu/accessibility)
